

BUILDING EXPANSION *Response Card*

In Philippians chapter 4, St. Paul writes, "I can do all things through him who strengthens me." As God strengthens us for service, so we are called to strengthen one another. Lutheran Social Services of Northwestern Ohio (LSS) is committed to, "Strengthening People in Body, Mind and Spirit."

Life may not come with instructions, but it does come with support. While in our care, the clients who come to us know that the stigma of needing care is lifted---and no one has to struggle or face challenges alone! With your assistance, we can make this vision a reality. Please return the card below in the enclosed stamped envelope.
